

Making Involvement Matter in Essex

Day Services Evaluation

MIME has been asked to undertake an evaluation of the impact of the changes to day services. We are a service user involvement group based at Anglia Ruskin University.

If you use or have used a:

Community Bridge Builder Service

Day centre provided by a voluntary sector provider

Peer support/self help group

In West Essex then we want to hear your views. We also welcome the views of carers.

We are holding a consultation in Epping on 19th October
from 2.00pm – 4.00pm

We can pay your travel expenses and a thank you gift of £10 and we will provide tea, coffee and biscuits.

Come along and meet our team. All of our facilitators have experience of using mental health services.

Don't be left out – contact us today for more details and to book a place!

Pam Hutton, Partnership Coordinator, Anglia Ruskin University, Faculty of Health & Social Care, William Harvey Building, Chelmsford Campus, Bishop Hall Lane, Chelmsford, CM1 1SQ.
